MAR. 25, 2009

To: Habitat for Humanity Central Arizona
Re: Wallboard

This letter is to certify that the drywall/wallboard supplied by Deer Valley Lumber Co. is manufactured at facilities within 500 miles of the Phoenix metro area. The drywall/wallboard that we ship is manufactured by either the Pabco Gypsum Products Co. of Las Vegas, Nevada (located less than 300 miles from Phoenix), or the National Gypsum Co. located in Phoenix, Az.

Yours,

Cary Knight
Sales Assoc.

Re: Concrete Donation

Mr. Murphy:

The concrete that Valdez & Son Construction, Inc. donated to the building of the Habitat for Humanity Homes in the Ironwood Trails Development, was manufactured by the Cemex plant in Apache Junction.

Regards,

The Valdez & Son Construction Team.
